

HEALTH QUESTIONNAIRE

Orthodontic Treatment in the Era of COVID-19

If you have been exposed to a communicable disease, you may spread it to other patients/parents or staff members in the practice. Therefore, prior to each appointment, we will be asking the following questions to reduce the chances of transmission:

Do you or your child have any of the following symptoms?

Fever (above 100.4 degrees F)?	Yes	No
Cough?	Yes	No
Shortness of breath and/or trouble breathing?	Yes	No
Persistent pain, pressure or tightness in the chest?	Yes	No

Have you or your child have recently been in contact with a person who was tested positive for, or diagnosed as having COVID-19, or any other communicable disease?

Yes No

Please be advised that if the answer to any of these questions is yes, you may be asked to reschedule the orthodontic appointment to a later date.

Thank you for your understanding and cooperation.
